

**ANNOUNCING . . . .**

**'Round the Lake Roadside Clean-Up**

**Roadside Clean-up Day! Saturday, May 14<sup>th</sup>.** Volunteers can start in the morning whenever they want but we ask that you complete your section by noon to enable the volunteers to pick-up the filled bags along the roadside and get to the dump station before the 2:00 closing.

**Or** you can take your collection to the recycling station along with your garbage that day.

This is a great time to get the family outdoors, do an activity together and benefit the community! Please wear appropriate boots, gloves, and brightly colored clothing so motorists can clearly see you. If you have a safety vest, even better! Everyone is cautioned to be aware of traffic. We will be concentrating on the bottles and cans that have been tossed from cars and are now laying in the ditches. **No appliances, electronics, or items that have a disposal fee.**
